'Punjab to lead India's industrial transformation'

TNN / Jun 21, 2025, 23:47 IST

Ludhiana: The Bharat Manufacturing and Export Summit 2025 concluded successfully Saturday, cementing the city's role as a cornerstone of India's industrial landscape.

Punjab finance minister Harpal Singh Cheema was the chief guest of the event, organised by MSME Sampark.

Cheema underscored Punjab's commitment to fostering a robust industrial environment through initiatives like the fast-track single window system and the Invest Punjab Portal, designed to streamline processes and boost MSME growth. He also highlighted the state's focus on digital business, including investments to support sustainable industrial practices.

"Punjab is poised to lead India's industrial transformation by empowering MSMEs with innovative
